Arbitration Case Settled
T. O. Felland Awarded \$350.00 Damages and Costs
On Monday last Judge W. A. D. Lee, arbitrator in the case of T. O. Felland and the City of Wetaskiwin, handed down his decision, awarding that the City of Wetaskiwin pay to Mr. Felland the sum of \$350 as damages and costs, for damage done to his land, by reason of the ditch being dug on the street adjoining his property.
The matter in dispute dates back to 1908 when the ditch was dug through the northern part of the City for the purpose of diverting the course of the old creek, as well as draining Walker's slough. This creek was run down the middle of the street fronting certain property owned by Mr. Felland on Mill street, and he claimed that certain damage had been done.
Mr. Felland had interviewed the council at different times requested that he be paid \$2000 damages, but this the council thought to be excessive, and it was finally decided that the matter be settled by arbitration with Judge Lee as sole arbitrator. The case was heard on Monday, November 18, and Judge gave his decision on Monday last.

Conservatives Hold Annual Meeting
Enjoyable Banquet Concludes Successful Convention
The annual meeting of the Liberal-Conservative Association of the Wetaskiwin district took place in Angus Hotel on Saturday afternoon last, with a fairly good representation of delegates from the rural district in attendance.
After considerable discussion had taken place, the election of officers was proceeded with, and resulted as follows:
Hon. President, Right Hon. B. L. Borden. Hon. First Vice-President, E. Michener, M. P. P.
Hon. Second Vice-President, Geo. B. Campbell. President, Dr. H. C. R. Walker, re-elected. Vice-President, F. B. Watson. Secretary, Treasurer, A. E. Wynne.
Executive, Messrs. Geo. L. Owen, J. R. Staples, E. C. Switzer, R. M. Angus, and J. W. Horie.
In the evening an elaborate supper was served in Angus Hall, in which about 300 ladies and gentlemen participated. After the evening's entertainment had been satisfied a lengthy toast list was dispensed with, with F. B. Watson as toast master, in the absence of Dr. Walker, presided. The principal speakers of the evening were, Messrs. Geo. B. Campbell, of Wetaskiwin; J. D. Hyndman, of Edmonton; Geo. Hoadley, M. P. P. of Okotoks; N. Garsneau, of Quebec, a distinguished guest, of Mr. Campbell, making his first trip to the West; O. Bush, of Strathcona, and Messrs. Loggie and Orange. Other distinguished gentlemen present were only prevented from speaking by the lack of time.
Geo. Hudson, of Wainwright, J. Blair, of Provost, were among the guests of honor, and E. Hunter, provincial secretary from Red Deer, was also present.
The addresses were interspersed by a choice musical program, in which Mrs. Dr. Walker, Miss Hope West, and Mrs. Charles Boyer, Mrs. McFarlane and Corp. Michel participated.

Elmer Reist Passes Away
The citizens were shocked on Wednesday evening to learn that Elmer, son of Mr. and Mrs. S. H. Reist, who live three miles north-east of the City, had passed away shortly after an operation for appendicitis had been performed. The case is an exceedingly sad one, as the young man was aged 16 years 1 month, and was an exemplary and model young man in every way. The funeral takes place on Saturday afternoon at 2 o'clock, the interment taking place in the Wetaskiwin Cemetery. We join the hosts of friends in extending their deepest sympathy of the bereaved family.
A very serious case was assigned before D. C. McLean, J.P., Thursday afternoon, when Wm. Thompson and Geo. R. Hille were charged with robbing Hark Nelson on his way home. It appears that these men went to the home of Mr. Nelson, near Hobbeun on Tuesday, and after having a heavy dinner, entered the old gentleman, who is seventy-five years of age, to show them some land they contemplated purchasing. After going some distance and reaching a secluded spot they succeeded in getting the victim under the influence of liquor, the moment to make his escape, he was caught and badly beaten one of the men kicking him on the face and body. He was relieved of his watch, some home gun and a knife. The latter was found on Sunday last. Nelson was captured. They were arrested by Corp. Michel yesterday at noon on the street here. The case, which lasts all afternoon was particularly interesting, and the prisoners were sent up for trial, and will be tried in Edmonton today.

To the Electors of the City of Wetaskiwin.
Ladies and Gentlemen:
In announcing myself, at the request of my friends and supporters, as a candidate for re-election to the office of Mayor of Wetaskiwin, I appeal to you again for the same general support and influence which you so generously and zealously extended to me in September last, with the assurance on my part that I will continue to devote my time and attention to the best interests and welfare of your City.
Yours respectfully,
H. C. R. WALKER.

Strong Reasons Why Wetaskiwin Should Have a Public Library
Some of the arguments in favour of our city's having a public library may be found in the following considerations:
(1) Economy: It is beyond question that a reading public is a thrifty public. People are poor when they have certain ambitions and desires which they can not gratify; they are rich when they have a contented mind. Reading tends to bring in a spirit of contentment, and by instituting a comparison between our own times and former days so modify the ambitions of life as to delete a great many unnecessary expenses because the mind is trained to aspire to the noble and the true rather than the sordid and the sensual. It goes beyond saying, that, as people read more, and as schools and libraries are fostered and increased, our prisons, and almshouses, many institutions become less in number, because crime and diseases attend less upon a contented mind. Even from the comparatively low viewpoint of dollars and cents free libraries are a money saving device. In quality ignorance is more expensive than knowledge.
(2) A public library is a means of happiness to a large number of people. In a city like the Wetaskiwin, where the people of Winnipeg, in last week's Winnipeg Free Press great stress is laid upon the fact that books play a large part in the life of this people. The active love of literature has given a spirit of contentment to the Canadian which has proved infinitely more valuable to him than the victories of Chas. 12th or of Gustavus Adolphus of historic times. Whilst the Great Powers are filled with a spirit of jealousy and bickering, the quiet, unobtrusive Swede or Norwegian revels in the sagas of old and delights in the works of Bjornson and other writers of to-day. And in their club life there is almost sure to be a good library. It is doubtful whether any other occupation or avocation gives so great a sum of happiness as that of reading. And surely it is a most desirable thing for any person or for any city to bring about conditions that will increase the happiness of the people. As long ago as the 14th century Richard de Bury, Bishop of Durham, said, The library, therefore, of wisdom is more precious than of riches, and nothing that can be wished for is worthier to be equipped with than a library. However, therefore, acknowledge himself to be a zealous follower of truth, and happiness of wisdom, of science, or even of the faith, must of necessity make himself a lover of books.
(3) A third argument for the establishment of a public library is that of education--education the grown up. Every citizen should have the chance to devote some time to the acquisition of knowledge, and the improvement of the mind. Many have to labour hard, and all are called upon to suffer at times. But if there be anything that will help us to labour more successfully, and to suffer more patiently, surely, if at all possible, all should have the privilege of availing themselves of such help. Now, what the individual is not able to do in any way to do by himself the community as a whole can accomplish. The best books on any given subject can be secured for a library, where frequently one cannot secure them for oneself. This does not apply so

The Churches
The pastor preaches next Sunday morning and evening. Sunday school at 2:30 p.m.
Next Wednesday, Dec. 4th, Rev. R. B. Steinhart, B. A., (Hidican) will both sing and preach. Mr. Steinhart's visits to the church are always enjoyed. He will most likely give an address on the Cree language. A collection will be taken.
On Sunday, Dec. 8th, Rev. Prof. Chas. Black of Montreal, will be the preacher.
IMMANUEL

The protocols to the sacred cantata, "The Holy City," was well rendered by Immanuel church choir on Sunday evening last under the capable leadership of Mr. Hatch. Mrs. H. J. Montgomery took the solo part, with much feeling and expression.
On Wednesday, Nov. 20th, R. W. Allen, Esq., of Toronto, a member of St. Andrew's Brotherhood and Field Secretary for the Missionary Society of the Canadian Church, gave a very interesting account of the valuable work being done by the church of England among the Esquimaux and Chinese. The lecture was illustrated by fine lantern views.
GOSPEL HALL
Some interesting evangelistic services have been held in Gospel Hall, Alberta street, during the past week. On Thursday and Friday evenings Mr. Rich-Irving, of Belleville, Ont., conducted services at 7:45. All are cordially invited.
EV. LUTHERAN--ZION

How Much of Your Road Money is Spent in Filling Ruts?

If the millions of dollars that have been spent repairing worn-out, washed-out streets and roads had been used to build more miles of good highways, fewer farmers would now be wasting valuable time and money taking "round-about" routes to town.

FIRST class of an ordinary dirt or macadam road is usually only a "summer." The cost of upkeep soon equals that of first cost and there is always an ever-increasing annual expense for repairs. The worst feature of it is that such a road is never a really first-class highway.

IN estimating the cost of a road you should include the expense of keeping it in good condition for at least twenty years. If you don't, you're figuring on the first payment for that road, only. And the remaining payments are as certain as taxes. The upkeep cost of concrete roads is practically nothing.

Concrete roads are the best roads from the first—and the best and cheapest roads at the end of ten, fifteen and twenty years.

CONCRETE is the ideal paving material for streets in small towns as well as for main highways in the country.

Edward N. Hines, Wayne County, Michigan, Road Commissioner, and one of America's foremost authorities on good roads, says:

Any community that wants a good road, a road that is cheaper for even a short time under fairly heavy loads than any other good road, a road that is less expensive to maintain, a road that is safer and smoother, a road that is not slippery, a road that stands good for years for every type of vehicle 24 hours of the year, a road that is the longest, say 10, 15, 20 years and longer, is the cheapest of all good roads, should investigate the merits of concrete.

WRITE for the facts about Concrete highways. When convinced, use your influence to have the roads for which you pay built to last.

We have highway experts who will visit any community intending to build more roads and explain just why and how concrete roads are best and cheapest.

TEMPERANCE COLUMN

EDITED BY THE W. C. T. U.

FOOD FOR THOUGHT.

Bar-Rooms.

It looks as if the bar-room is going to have a hard time in the new future. In the United States the nation is generally an independent institution. Liquor licenses in most states are granted for places in which liquor-selling is the only business carried on. People have been accustomed to look upon the saloon and the hotel as separate institutions.

If this were the condition in Canada, the bar-room would be wiped out forthwith. It maintains its hold because of the responsibility and the necessity of the hotel business with which it is associated. The result of a different condition is shown in the following extract taken from the Ohio issue:

In fact, so strong is temperance sentiment becoming among the travelling public that many hotel managers have found the maintenance of a bar to be to their financial loss. Some of the leading hotels have banished the buffet altogether. Others have more and more squeezed the bar and removed its more objectionable features. To be known as a "wet house" is a positive handicap of the hotels that flaunt the bar as an attraction are little more than saloons with a "free lunch" counter. The character of the "guests" that patronize hotels with bars is such as to make them undesirable to the better class of hostesses.—E.T.

BETTER THAN SMOKING.

William L. Austin, president of the Baldwin Locomotive Works, has presented a pipe organ to the Central high school for boys in Philadelphia. In his address at the dedication of the organ, Mr. Austin said: "This organ represents only a small fraction of the money I might have burned up if I had started smoking as early in life as many of you have done, and had kept it up."

TEN THOUSAND CASES HOME-SICKNESS CURED.

Webster's unabridged dictionary defines homesickness as a "Pining for Home," and adds "in Nostalgia Condition." We did not know what "Nostalgia" meant, but on again referring to Webster we find that it is a "severe and sometimes fatal form of melancholia, due to homesickness." The Canadian Northern prevented 10,000 cases of this disease by persuading that number of homesick people to return to their old homes in Eastern Canada, Great Britain and the United States for their Christmas holidays. They are spreading the cure again this year by announcing reduced rates to Great Britain, Eastern Canada and all Canada.

Ticket to Eastern Canada at very reduced fares are on sale from Dec. 1 to 31, inclusive, and to the Old Country and Europe Nov. 1 to Dec. 31, and may be purchased at all Canadian Northern Railway ticket offices.

HAD BOILS

ON FACE AND BODY
WAS TROUBLED FOR 28 YEARS.

Boils in themselves are not a dangerous trouble, but still, at the same time are very painful.

They are caused entirely by bad blood, and to get rid of them it is absolutely necessary to put the blood into good condition. For this purpose there is nothing so good as the great medical knowledge of Dr. J. C. Williams' Pink Pills. Mrs. James Magrath, Floral, Sask., writes: "I was troubled for eight years with boils on my face and body, and I tried everything I could think of. My neighbors told me to drink water off of sour corn meal, but I kept getting worse until one day a woman in town asked me why I didn't try Burdock Blood Bitters. My husband got me two bottles, and before one was gone my boils had all disappeared, and I feel like a different woman. I can't tell you how thankful I am for your medicine. I will recommend it to all suffering women." Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

Liquor Cures Eczema Where Salves Fail

In regard to skin disease, medical authorities are now agreed on this: Don't imprison the disease germ in your skin by the use of greasy salves, and thus encourage them to multiply. A true cure of all eczematous disease can be brought about only by using the healing agent in the form of a liquid.

WASH THE GERMS OUT.

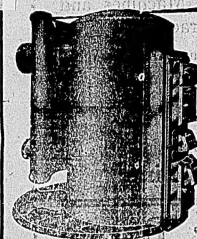

A simple wash: A compound of Oil of Wintergreen, Thymol, and other ingredients as combined in the D. D. Prescription. This penetrates to the disease germs and destroys them, as nothing else has ever done.

In addition to the regular dollar bottle which has cured so many cases, we have arranged with the D. D. Laboratories for a special large trial bottle at 50c. on a special offer now.

Trial bottle will start the cure, and give you instant relief.

Through the foresight and enterprise of local parties, our citizens and many from adjoining towns will next Thursday night have the rare treat of witnessing three of the age's greatest marvels—Wireless Telegraphy, Radiator, and Liquefied Air, with numerous interesting experiments with each wonder, clearly explained by an adept demonstrator, Prof. Wm. J. Parry. The entertainment is not only heartily endorsed by schools, churches, press and public, but is absolutely guaranteed as advertised or money refunded. A large house is already assured, but to get desirable seats, immediate call should be made at Bailey's Jewelry Store.

Outway, the Up-to-date Druggist, has scored another point. He has imported a large stock of that Great French Tonic

VIGORAL

and has been made the sole agent for Wetaskiwin. Every bottle guaranteed.

Being always on the lookout for the best in everything in the drug line Outway's Drug and Stationery Store has placed in stock a large consignment of the Great French Tonic VIGORAL. Every day nature is providing us with something new. The latest medicine on the market in Canada is VIGORAL. Weak and run-down men, women and children can now be made strong and children and healthy. Every home should contain a bottle of VIGORAL—the tonic that is a tonic. The whole human system is at once toned up. That tired, dragging feeling disappears and life becomes a joy. If you are not just feeling yourself, go to Outway's Drug and Stationery Store and get a bottle of VIGORAL. If you don't feel better in twenty-four hours, go back and get your money. VIGORAL acts on the kidneys, liver and blood and is a powerful food and system-builder. Price \$1.00 bottle.

Dear Sir,—Seldom, if ever, have I had the pleasure of using a piano which combines so many wonderful qualities. From its grand volume of tone, to the most delicate pianissimo, it is perfection.—Yours cordially,

ANTOINETTE LE BRUN.

This is Madam Le Brun's letter to the western manager of the Williams Piano Co., Ltd., showing that she finds it necessary to use a "New Scale" piano in her Canadian work in order to maintain that perfection for her art for which she is noted. No Prize Package pianos for her. When selecting your new piano, don't you think it wise to consider the choice of such artists as Madam Le Brun, and thus save the unavailing regret which is sure to follow the choice of a cheap piano. Think this over and then come and see the class of pianos sold at

To God the meed of poetry
Should—yea must—be given;
The life who doth our souls supply,
With sweet songs from Heaven.
'Tis He who painteth pictures fair
Upon the azure sky,
Whom make the trustful heart prepare
A song to glorify.
And He the scenery doth spread
Like a poetic dream,
Fills with flowers the barren mead,
Gives murmur to the stream.

Upon the playing founts no bright,
Whose waters upward fly
Paints the reverend colour'd light
Of the curved rainbow.

'Tis He who by His mighty will
Makes ebb and flow the sea,
And makes the feather'd songster fill
In the green forest tree.

'Tis He who makes the heart delight
At all these lovely things—
Fills it with themes divinely bright,
Of which it sweetly sings.

'Tis He who sends affection strong;
A mothers' love He gave—
The sweetest theme for any song
On this side of the grave.

All things good; all that upraises,
Proceeds from God's Olives,
To Him then I give all the praises
Of any song of mine.
—Robert W. W. Alexander.

EASY MONEY FOR SUCCESSFUL FARMERS.

The Central Alberta Development League wants to know the experience of central Alberta farmers, the information to be used in exploiting the wonderful resources and the opportunities offered for various forms of agriculture in the district. Cash prizes will be awarded to the writers of the 15 best letters, as follows:
1st, \$25; 2nd, \$20; 3rd, \$15; 4th, \$10; 5th, \$7.50; 6th and 7th, \$5; 8th and 9th, \$4; 10th, 11th, and 12th, \$3; 13th, 14th and 15th, \$2.
The conditions of the competition are as follows:
Letters must be short and to the point; preferably not more than about 200 words, written on one side of the paper, and to be in the secretary's hands on or before December 12.
More consideration will be given to facts than to literary style.
Be accurate; only such statements should be made as will bear investigation.
Tell where you came from, the resources you had on arrival and the success achieved; or your experience and success regarding any branch of farming, such as grain production, stock raising and dairying, singly or combined; horse, hog, poultry and sheep raising; growing of grasses and root crops; fruit and gardening generally; and how climatic conditions suit the form of activity described.
The winner may submit letters on different subjects.
The League also desires to hear from farmers' wives and daughters.
Letters should be sent to the Secretary, Central Alberta Development League, Edmonton.

The judging committee to award prizes consists of Chas. B. Hotchkiss, chief publicity commissioner for Alberta; August Wolf, secretary Citizens' League, Edmonton; and P. T. Fisher, secretary Central Alberta Development League, Edmonton.

FOR FALLING HAIR.
You Run No Risk When You Use This Remedy.

We promise you that, if your hair is falling out and you have not let it go too far, you can repair the damage already done by using Rexall's "99" Hair Tonic, with persistence and regularity, for a reasonable length of time. It is a scientific, cleansing, antiseptic, germicidal preparation, that destroys microorganisms, good circulation around the hair roots, promotes hair nourishment, removes dandruff and acts to restore hair health. It is as pleasant to use as pure water, and is delectably perfumed. It is a real toilet necessity.

We want you to try Rexall's "99" Hair Tonic with our promise that, if it will cost you nothing unless you are perfectly satisfied with its use. It comes in two sizes, price 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store—H. L. Higgs.

We would be pleased to enlist the services of a few more good reliable correspondents from neighboring villages and country neighborhoods. Particulars on application.

Whooping Cough LEFT A NASTY, DRY COUGH.

Doctors Could Do No Good.

—Mrs. A. Mainwright, St. Mary's, Ont., writes:—"I feel it my duty to write and tell you the good your Dr. Wood's Norway Pine Syrup did for my little boy. He had whooping cough, which left him with a nasty, dry hard cough. I took him to several doctors, but they did him no good, and I could see my little lad failing day by day. I was advised to take him to another doctor, which I did, and he told me he was going into a decline. I was telling a neighbour about it, and she told me to get a bottle of Dr. Wood's Norway Pine Syrup, and give it to him regularly. She then got to tell me how much good it did her children, so I got a bottle, and gave it to my little boy, and was so pleased with the result that I bought another one, and by the time he had finished it he had no cough. He is now fat and strong, and I would not be without a bottle in the house on any account."

Whooping cough generally begins as a common cold, accompanied with coughing and a slight discharge from the nose. It is, as a rule, more of a child's trouble but also affects adults.

Dr. Wood's Norway Pine Syrup is a sure preventative if taken in time, and is also a positive cure for any of the after effects.

"Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark; price 25 and 50 cents.

Alberta Bonds Sell Well.

Edmonton, Alta., Nov. 24.—Statistics compiled by Charles S. Hotchkiss, the population of this province has increased from 90,000 and 100,000 during the last fiscal year as compared with 70,000 the year before. He estimates the present population of Alberta at 500,000, as against 372,228 shown by the last federal census. His report also states that the population of every four homesteaders settle on farm lands. Many of the newcomers are experienced farmers from England, who bring a knowledge of mixed farming and dairying. Plans are under way to bring as many people as possible from Great Britain, where 200,000 men are ready, but without sufficient funds to undertake the journey to western Canada, Mr. Hotchkiss said: "All that Alberta needs is more men and women."

With the sale of \$5,000,000 worth of 10 year 4 per cent bonds of the province of Alberta at 97, which deal was made in London a few days ago, this province has received official recognition from the financial experts of the world as one of the few Canadian provinces and one of the few countries which can be considered in a very healthy state financially at the present time.

All over Canada and the United States the extremely high price received for the Alberta bonds is being commented upon, more especially in view of the fact that during the past few months so few of the provinces of the Dominion have been able to float any loans at all, and also in view of the decided effect the Balkan trouble has had in tightening up the money market.

So few loans of any magnitude have been floated during the past six months showing the good bargain made by this province, but some few instances are already being quoted by the Monetary Times and other financial periodicals. The price of bonds quoted in these journals show the difference in the prices received by the Alberta bonds and the prices received by other bonds even before the market was affected by the Balkan trouble.

In September last the city of Ottawa, always regarded as possessing the very best line of credit as a city, floated a loan of \$1,041,923. Bonds bearing interest at the rate of 4 per cent were issued for the purpose, but the best offer received for these bonds Bank of Ottawa was accepted. Was 14, which offer was made by the Other offers, from the leading financial houses of America, Europe and Great Britain ranged from 90 to 92, none of them reaching 93.

Another instance of the high prices received by the recent sale of the Alberta bonds is shown when comparing

the sale with the sale of the bonds of the Edmonton, Dunvegan & British Columbia railroad a few weeks ago. This bond is one of the railroads whose bonds are guaranteed by the province under its railroad policy, but \$1,700,000 worth of 14 per cent bonds placed on the market netted only 144, as against the 97 netted for the 4 per cent bonds of the province.

It is also being pointed out that at the present time 3 per cent bonds of Alberta, issued in connection with the extension of the telephone system in 1908, are bringing more than 14 per cent on the London Exchange, but British Columbia bonds, bearing interest at 4 1/2 per cent, are quoted at 100, and will drop to 98 in a short time as soon as the accruing half year interest has been paid.

Taken all round, the result of the sale of the sale of the \$5,000,000 worth of bonds which was consummated by Premier. Sifton and Hon. Malcolm Mackenzie, is one of the best financial deals of the year, which is chiefly remembered in financial circles as the year in which so many Canadian bonds went begging and were left on the hands of the underwriters.

Had a Weak Heart.

Doctored For Three Years Without Any Benefit.

Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble. Little attention is paid to the slight weakness, but when it starts to beat irregularly, and every once in a while, pain seems to shoot through it, then it causes great anxiety and alarm. Milburn's Heart and Nerve Pills will give prompt and permanent relief to all those suffering from any weakness of the heart or nerves.

Mrs. M. Shen, 193 Holland Ave., Ottawa, Ont., writes:—"I write you these lines to let you know that I have used Milburn's Heart and Nerve Pills. After doctoring for the last three years with all kinds of medicines and pills for weak heart, I heard of your Heart and Nerve Pills, so thinking I had never used anything that did me so much good, I kept on using them, and I had only used four boxes, when I was perfectly cured." Price, 50 cents per box, 3 boxes for \$1.25 at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
